Curriculum Vitae

Name	Serhii Yukhymchuk
Family status	maried
Date of Birth	17.12.1971
Place of Birth	Turiysk - Volyn region - Ukraine
Position	PhD., associate professor, docent of the department of agricultural engineering named after professor G.A. Hylis
	s.yukhymchuk@lutsk-ntu.com.ua

DEGREES RECEIVED:

Degree	Institution	Department	Year
MSc	Lutsk State	Agricultural machinery	1994
PhD	Technical University (Ukraine)	Mechanization of agricultural production	1998

WORK EXPERIENCE:

Rank/Position	Dates	Department	Institution/Company name
Associate Professor	from 2001 to present	Department of agricultural engineering	Lutsk State Technical University (Ukraine)
Senior lecturer	1999-2001		
Lecturer	1998-1999		

NUMBER OF WORKS PUBLISHED IN SCIENTIFIC JOURNALS AND CONFERENCE PROCEEDINGS:

https://orcid.org/0000-0003-1719-5636

The author of more than 90 scientific articles, 28 patents, monograph and three training manuals.

TOPICS OF NEW RESEARCH PROJECTS:

Development and research of mechanisms and machines for harvesting flax; research of potato and beet harvesting machines; research of tillage machines; use of non-traditional energy sources

RESEARCH EXPERTISE:

- technologies, machines and equipment of agro-industrial complexes, problems of industrial engineering

TEACHING COURSES:

«"Machine-Field" system», «Methodology of scientific research with the basics of intellectual property», «Testing and certification of agricultural machinery», «Electrical engineering and automation of technological processes in agricultural production»

PERSONAL SKILLS AND COMPETENCES
Languages:

Ukrainian native language
English reading and translating with a dictionary
