Biography

I, Lev Stepanovich Boyko, was born on July 15, 1987 in Yekaterinburg, Russia.

In 1994, I entered the first grade of the gymnasium №21 in Lutsk. In 2004, after graduating from the gymnasium, entered the Lutsk State Technical University (which was granted national status in 2008), Faculty of Technology. In 2008, received a bachelor's degree with honors in Automation and Computer-Integrated Technologies. In 2009, received a master's degree with honors in Automation and Computer-Integrated Technologies.

In 2009, entered postgraduate studies in the specialty "Applied Geometry, Engineering Graphics" under the guidance of Doctor of Technical Sciences, Professor Sergiy Pylypakha. Based on the decision of the Attestation Board of February 14, 2014, received a PhD degree.

In 2014, was awarded the title of candidate for master of sports in bench press by the WPAU Federation; in 2015, was awarded the title of master of sports.

Single.
