

## Curriculum Vitae

**Name** *Mykola Zynchuk*

**Family status** *married*

**Date of Birth** *14.09.1970*

**Place of Birth** *Lutsk – Ukraine*

**Position** *PhD., associate professor  
Head of the agronomy department*

**E-mail:** [m.zinchuk@lutsk-ntu.com.ua](mailto:m.zinchuk@lutsk-ntu.com.ua); [zmig7@ukr.net](mailto:zmig7@ukr.net)

### DEGREES RECEIVED:

<b><u>Degree</u></b>	<b><u>Institution</u></b>	<b><u>Department</u></b>	<b><u>Year</u></b>
Specialist	Chernivtsi State University (Ukraine)	Soil science and agrochemistry	1993
PhD	Research Institute of Soil Science and Agrochemistry (Kharkiv, Ukraine)	Agrophysics and agro-soil science	1998
Associate professor	Lutsk State Technical University (Ukraine)	Department of Ecology and Life Safety	2004

### WORK EXPERIENCE:

<b><u>Rank/Position</u></b>	<b><u>Dates</u></b>	<b><u>Department</u></b>	<b><u>Institution/Company name</u></b>
Leading engineer, graduate student, researcher	1993-1999	Polish branch	Research Institute of Soil Science and Agrochemistry
Head of Department	1999-2001	"Human Ecology" department	Lutsk Biotechnical Institute
Chief engineer-soil scientist, director	2001-2022	Volyn branch	State institution "Institute of Soil Protection of Ukraine"
Associate Professor	2002-2009 2019-2011	Department of Ecology and Agronomy	Lutsk State Technical University (Ukraine)
Head of Department	from 2022 to present	Department of Agronomy	Lutsk State Technical University (Ukraine)
<b>project activity</b> Project coordinator	2008-2010	Project: Improvement of the environment in the basin of the Western Bug River.	INTERREG III.
Expert agronomist	2014-2016	"Restoration of the reclamation network to promote economic	EU program "Supporting the policy of regional development of Ukraine"

Expert ecologist                      2019                      growth of rural areas  
of the Volyn region",  
«Turning waste into                      GIZ  
profits»

**INTERNSHIPS:**

**2019**                      agronomy advisor, Lviv National Agrarian University (Ukraine)  
**2021**                      scientific research of soils, Polish Research Station of the National  
Scientific Center "Institute of Agronomy and Agrochemistry"

**NUMBER OF WORKS PUBLISHED IN SCIENTIFIC JOURNALS AND CONFERENCE PROCEEDINGS:**

total 78 publications including,  
31 - publications in scientific journals and in the Conference Scripts, 2 – textbook, 4 - monographs

**TOPICS OF NEW RESEARCH PROJECTS:** soil science and agrochemistry, soil cover monitoring, soil classification and mapping, soil heterogeneity, agricultural technologies, agroecology, agronomy, soil, microbiological, agrochemical and radiological research, soil expertise and the quality of agricultural products, including fertilizers, plant protection products. Development of technological recommendations in the fields of soil protection and crop production.

**RESEARCH EXPERTISE:**

Member of the Scientific and Technical Council of Shatsky NPP  
Member of the Scientific and Technical Council of the Institute of Soil Protection of Ukraine  
Expert of the Association "Ukrainian Soil Partnership"  
Member of the NGO "Clean Environment" Advisory Institute, adviser

**TEACHING COURSES:**

«Soil science with the basics of geology», «Agrochemistry», «Soil mapping», «Fodder production»

**PERSONAL SKILLS AND COMPETENCES**

**Languages:**

**Ukrainian**    native language

**English** basic

**Polish** spoken language
